

Technical drawing of a mechanical part, showing three views: front, top, and isometric.

Front View: A horizontal rectangular part with a central section of length 108 and two side sections of length 20. The total length is 148. The part has a 150° angle between the central section and the side sections.

Top View: A horizontal rectangular part with a central section of length 108 and two side sections of length 20. The total length is 148. The part has a 150° angle between the central section and the side sections.

Isometric View: A 3D perspective view of the part, showing the central section and the two side sections at an angle.
